November 26, 2013

Dear HAU Alumni:

After the relief drive undertaken by the University for the victims of Super Typhoon Yolanda, we now seek donations from the HAU Community for the rehabilitation efforts needed to rebuild the lives of our fellowmen in the Visayas and Palawan.

HAU alumni batches may help in this worthy cause by either coordinating with the University’s Office of International Affairs and Alumni Relations or the Office of the Community Extension Services or directly depositing their contributions to the CALAMITY FUND ACCOUNT at the HAU Finance Office.

The campaign for donations from among the HAU alumni is on-going and will continue until December 2013. Donations intended for rehabilitation efforts will be coursed by the University through PAMPANGA MOVES for VISAYAS/PALAWAN, a group made up of schools, businesses, and church groups convened by the Social Action Center of Pampanga.

Kindly indicate your batch name/year when making a deposit for the proper acknowledgment of your contributions. Individual donations by HAU alumnus or alumna may also be made.

Your kind assistance will go a long way as we do our share, no matter how modest, in helping our brothers and sisters in the Visayas and Palawan rise from the unfortunate tragedy which visited upon them.

Laus Deo Semper!

Very truly yours,

RONALDO M. LAPIS
Head
